

FOR IMMEDIATE RELEASE

TESLA IS COMING TO MYSTIC LAKE JAN. 27

Tickets on sale Oct. 27

PRIOR LAKE, Minn. – Oct. 23, 2023 – Tesla is set to rock the Mystic Showroom at 8 p.m. Saturday, Jan. 27, 2024.

Tesla may have been born in the mid-'80s, but their bluesy, soulful sound is strongly embedded in the roots of organic, authentic '70s rock and roll. The band's legacy is alive and well as they continue to record and sell out venues all over the world, including at Mystic Lake in 2017 and 2019.

Their 1986 Platinum debut album, "Mechanical Resonance," included Top 40 hits like "Modern Day Cowboy" and "Little Suzi." 1989's double-Platinum, "The Great Radio Controversy," included hits like "Heaven's Trail (No Way Out)" and "Love Song."

In 1990, the band helped reshape the face of modern rock music with "The Five Man Acoustical Jam." The Platinum live album produced their biggest hit single to date, a cover of Five Man Electrical Band's "Signs." Other '90s albums include the Platinum-selling "Psychotic Supper" and Gold-selling "Bust a Nut."

The band has recorded nine new albums since 2000. Their latest single, "Time to Rock," debuted in 2022. For more information, visit teslatheband.com.
